4	Procuring Entity District	Dhaka
5	Invitation for Expression of Interest for Selection of	International Consulting Firm for the Preparation of Renewable Energy Master Plan in DESCO Area
6	EOI Ref No	27.24.0000.021.07.069.26.1130
7	Date	16/11/2026
KEY INFORMATION		
8	Procurement Method	Quality and Cost Based Selection (QCBS) (International)
FUNDING INFORMATION		
9	Budget and Source of Funds	DESCO's own fund
10	Development Partners	Not Applicable
PARTICULAR INFORMATION		
11	Project/Programme Code & Name	Not Applicable
12	EOI Closing Date and Time	Date: 20 December 2026; Time: 12:00 Noon (BST)
INFORMATION FOR APPLICANT		
13	Brief Description of Assignment	The main objective of the consultancy is to develop a comprehensive and implementable framework for the integration of renewable energy e.g.: rooftop solar PV, BESS etc. into the DESCO distribution network; ensuring grid reliability, stability, flexibility, and economic viability. The indicative duration of the assignment is **9 (nine) months**. Detailed scope of services is given in the Terms of Reference (TOR).
14	Experience, Resources and Delivery Capacity Required	Interested consulting firms must provide information demonstrating that they are qualified to perform the services. Shortlisting will be made on the basis of the following information and documents of the firm: **a) General Experience** • Minimum **15 (fifteen) years** of experience as a consulting firm. **b) Specific Experience** • At least **01 (one)** satisfactorily completed assignment of related services in Power Sector within last 10 (ten) years with a contract value of minimum USD 250,000 (US Dollar Two hundred and fifty thousand) **c) Expected Experience (not mandatory)** • Consultancy experience in Bangladesh or South Asia, rooftop solar PV programmes, and assignments financed by International Financial Institutions will be preferable. **d) Financial Soundness** • Average annual turnover from consultancy services of minimum USD 500,000 (US Dollar Five hundred thousand) in the last 3 (three) years, supported by audited financial statements. **e) Resources and Delivery Capacity** • Minimum 10 (ten) permanent professional staff, of whom at least 05 (five) are power system/electrical engineers, with in-house specialists in BESS/Energy Storage and Power Electronics. • List of ongoing assignments to demonstrate capacity to complete the assignment within 09(nine) months. • Brief Work Plan and Methodology with respect to the TOR. • ISO 9001 or equivalent quality management system is preferred. **f) Legal and Supporting Documents** • Certificate of incorporation / registration of the firm (for foreign firms, equivalent document of the country of registration), valid trade license, VAT & TIN certificates and PSR / Updated income tax certificate.

		• Company profile with organogram, completion certificates from clients (showing scope, contract value, period and client contact) for the experience claimed, and audited financial statements. • Joint Venture agreement or letter of intent, where applicable. **g) Conflict of Interest** • One of the specific jobs under this service is to prepare engineering designs, technical specifications and procurement documents. Therefore, the consultant and its affiliates, including any manufacturer, supplier or EPC contractor of solar PV, BESS, inverter/PCS or STATCOM equipment, shall not be eligible to participate in the resulting goods/works procurement. **h) Comments and Suggestions on TOR (if any):** • Firms may submit their comments and suggestions on the TOR (scope of service, deliverables, staffing input, time schedule, data requirements, etc.) along with the EOI. **Please note that all the documents of Foreign Origin should be translated in English (if in other language) and attested by the respective Embassy / High Commission in Bangladesh.**
15	Other Details	a) **EOI Submission Place:** Office of the Superintending Engineer (Procurement, Inspection & Testing), DESCO, House # 22/B (1st floor), Faruque Sarani, Nikunja # 2, Dhaka-1229, Bangladesh. b) The EOI shall be submitted in 3 (three) sets (one original and two copy) in sealed envelopes, including a soft copy (PDF) in a pen drive to the above address on or before the closing date and time. The envelope shall be marked "EOI for Preparation of Renewable Energy Master Plan in DESCO Area". c) EOIs received after the closing date and time will not be considered. d) The EOI shall be written in English. Prospective firms may obtain further information, including the TOR, from the office mentioned above during office hours (10:00 to 16:00 BST, Sunday to Thursday) or from DESCO's website.
16	Association with Foreign / Local Firms	a) This is an international assignment. A consulting firm may submit its EOI individually if it considers itself fully qualified. Association with other firm(s) is not mandatory. b) If a firm chooses to associate with other firm(s) to enhance its qualifications, it shall be formed as a Joint Venture (JV) or sub-consultancy, with a JV comprising a maximum of 3 (three) parties. However, the qualifications/ experience of sub-consultants will not be considered in the evaluation of Expressions of Interest for Shortlisting purpose. Association with a local Bangladeshi firm, including through a Joint Venture (JV) formed in accordance with Rule 70 of the Public Procurement Rules (PPR), 2025, is encouraged. c) A firm shall not submit more than one EOI, either individually or as a partner of a JV.
